Quantum Sensing & Metrology

Enabling Technologies

Education & Skills

Standards

IP & Trade

Growth & Funding

Industrial Applications

Strategic Industry Roadmap – Collective perspectives from all WGs and EGs. SIR is shared with European Commission and governments across Europe to inform quantum policies.

QuIC's international leadership

International Council of Quantum Industry Associations

Proud Founding member of **ICQIA**.

Fellow international members:

- QED-C (USA)
- QIC (Canada)
- Q-STAR (Japan)

Trusted partner of the European Commission

QuIC supports the European Commission in its **bilateral international dialogues** with partners.

- United States of America
- Japan
- South Korea
- India

Quantum Standardisation

QuIC acts as a bridge between its many Members and the international quantum standardisation committees:

- JTC-22 (Europe)
- JTC-3 (worldwide)

QulC supports EU initiatives

Partner in project QUCATS, which coordinates and supports the **European Quantum Flagship**.

Member of the **Strategic Advisory Board** to the European Commission on quantum technologies.

Private Member of the **EuroHPC Joint Undertaking (JU)** governing board.

Member of the **Research & Innovation Advisory Group (RIAG)** to the EuroHPC JU.

Contributor to the EIB's **Quantum Finance Lab**.

Member of the EIC Scaling Club to support tech scale-ups in Europe.

QuIC – UK Quantum Tea Breaks

QuIC Members <> UK

QuIC Members have the opportunity for individual, one-on-one meetings with UK government representatives.

Mutual benefits

UK government gains awareness of European quantum ecosystem, and QuIC Members can showcase their work and growth plans in the UK and worldwide.

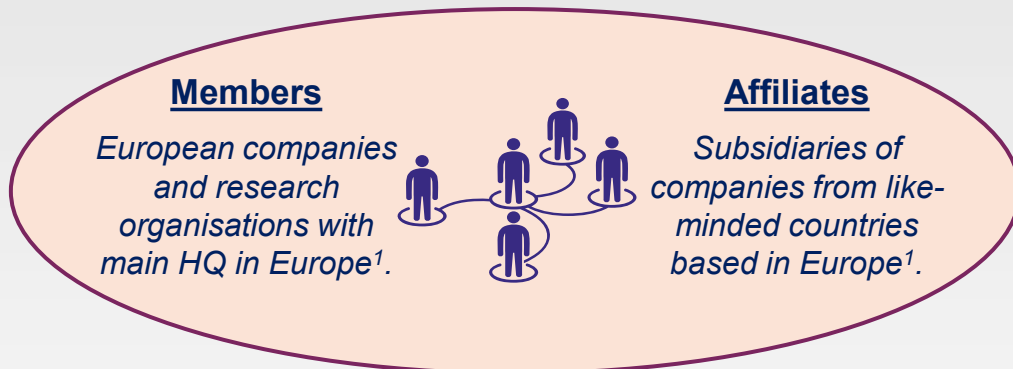

Funding Opportunities

QuIC Members can help guide the UK Government's national quantum strategy and related missions.

QulC Business Community & Affiliates

Quantum Business Community (QBC)

Uniting all Europe-based quantum companies

¹ Europe = EU + FO + IS + IL + LI + NO + UK + CH + TR

QBC Benefits

- ◆ *Expand Networking Opportunities*
- ◆ *Enhance Access to Quantum-Related News and Contacts*
- ◆ *Increase Influence on the European and Global Stage*

QulC Membership Benefits

A QulC organised, invigorating one-day expo, offering the perfect opportunity for company promotion and networking! Participants have the excellent opportunity of showcasing their company via a dedicated booth provided by QulC to a captive audience consisting of end-users, quantum industry leaders, potential partners, to government representatives.

Info Sessions

Information sessions on the **latest global developments** in connection with the quantum industry, **available for QulC Members only**. Recent topics include export control regulations, global standardization efforts, and deep dives on critical enabling technologies.

Matchmaking Sessions For Funding Calls

Matchmaking Sessions designed to help **QulC Members find each other and form project consortia** for public funding calls. Sessions are **also organized with partner associations**, such as AENEAS (electronic components and systems community) in the context of the EU Chips Act. These are an exclusive benefit of QulC membership.
